

## What Fuels You?

Contributed by The Editor  
Tuesday, 07 August 2007

Are you tired of paying rising fuel costs? Are you looking for a clean renewable source of power for your vehicle? Biodiesel, one of the fastest growing sectors of the US economy is a true and viable choice for your diesel fuel needs. Cities, governments and individuals, nation wide are embracing the biodiesel revolution as a sensible choice for our energy independence.

Are you tired of paying rising fuel costs? Are you looking for a clean renewable source of power for your vehicle? Biodiesel, one of the fastest growing sectors of the US economy is a true and viable choice for your diesel fuel needs.
